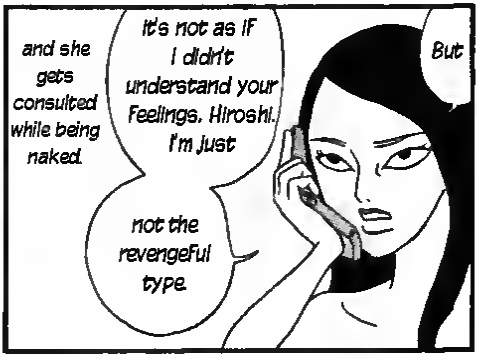
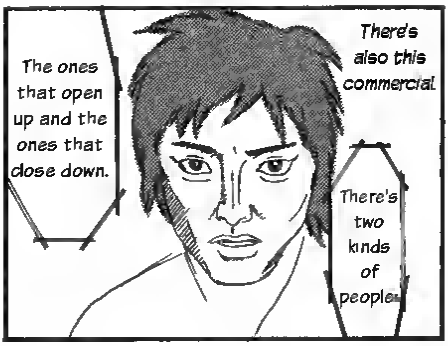
She also makes excuses naked!!
I can't show myself to people right now.
Excuse me, I'm from MHK, and I'd like to talk about your license fees...



and she gets consulted while being naked.
it's not as if I didn't understand your feelings, Hiroshi. I'm just
not the revengeful type.
But



The ones that open up and the ones that close down.
There's also this commercial

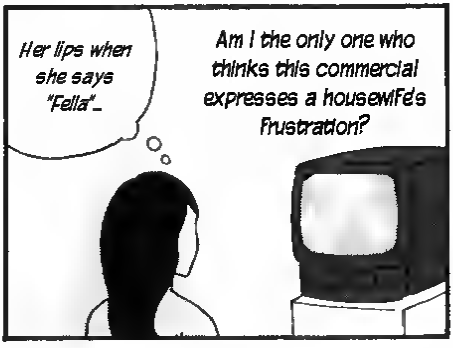
Actually, I'd like to belong to the ones that close down.



Her lips when she says "Fella"_
Am I the only one who thinks this commercial expresses a housewife's frustration?

At that time, I could hear the voice of my mother from the countryside.

It seems attractive, but...
A foreigner I don't know was telling me to come to him.

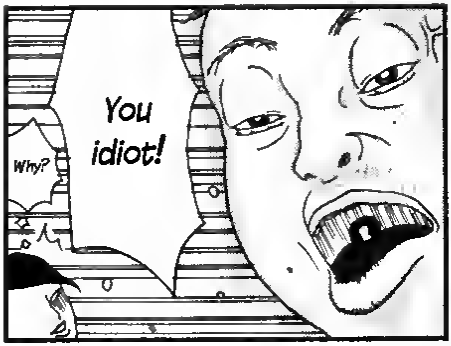
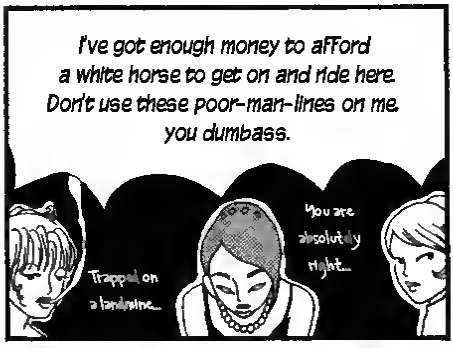
IF he wants it or not is something different_

Ain't that thoughtful_
A suspicious guy in a black suit passed me a baton.





I've got enough money to afford a white horse to get on and ride here. Don't use these poor-man-lines on me, you dumbass.
You are absolutely right...

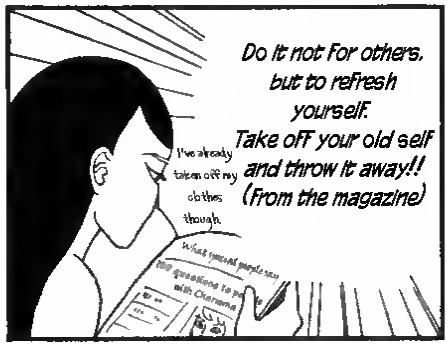
Huh?
Our Sex-score
Q: "How do you comment when she's got naked?" Right answer: (3) I don't say anything special, a bad compliment could get me to the grave instead!!



Do it not For others, but to refresh yourself. Take oFF your old self and throw it away!! (From the magazine)

[Frontispiece · Debut Work]

The first two chapters are my debut work.
I just gave them the looks of a series and sent them to the publisher.

I did the frontispiece for chapter 1 with shoujo manga in mind.
As an inspiration for the roses, I used pictures by Ooshima Yumiko. I'm sorry.
There's one I forgot to put screen tone on.

The frontispiece for chapter two was supposed to be psychedelic... but I kind of failed.
Some years ago, I wanted to hunt this guy and had my real-life Friend M take that kind of photo of me, but the hunting failed.

When I drew them, I didn't think these frontispieces would see the light of day
